Owner Affidavit

I / We _____ hereby give permission to
_____, R.I. Reg. # _____
for the construction of _____
located at _____ and further designated as
Plat _____ Lot _____ Parcel _____.

This is also an acknowledgement that we are aware that the following inspections are mandatory and required by RI State Law and must be coordinated with the Building Official's office, at least twenty-four(24) hours in advance.

1. Footings, BEFORE concrete is poured, all reinforcing rod in place and the primary grounding electrode connected to re-rod.
2. Foundation, BEFORE concrete is poured, all reinforcing rod installed.
3. Basement floor, BEFORE concrete is poured, vapor barrier placed, wire mesh installed, expansion joint material in place.
4. Foundation dampproofing and / or drainage systems prior to back filling.
5. Rough framing, mechanical fasteners & sheathing nailing BEFORE installation of roofing or siding.
6. Insulation.
7. Rough plumbing.
8. Rough electrical.
9. Rough mechanical
10. Drywall, BEFORE plaster or tape is applied.
11. Final inspection, BEFORE structure is occupied, all construction debris removed from site, final grading is complete.

All electrical, plumbing or mechanical work requires separate permits. Applications may be picked up at the Building Department. Once issued, placards must be posted for review at the building site. Failure on the part of the owner or the contractor to notify the Building Official's office for a required inspection may result in a Field Correction Notice that may cause a delay in construction or removal of the uninspected work.

I / We also certify that the building WILL NOT BE OCCUPIED until such time as a Certificate of Use and Occupancy (C/O) has been issued by the Building Official. A Certificate of Conformance from the Department of Environmental Management, OWTS Section, and certification that the water from the individual water supply (well) has
