

Bring an ID to the Polls

Poll workers will ask you to show a Photo ID when you vote at your polling place. Voter ID strengthens the public's faith in the integrity of our elections by enabling poll workers to match a voter's name to their face.

What is an acceptable Photo ID?

IDs must be valid and cannot have expired, but they do not need to have your current address.

Acceptable Photo IDs include:

- 1) RI driver's license
- 2) U.S. passport
- 3) State of RI or U.S. government-issued ID card
- 4) ID card from an educational institution in the United States
- 5) U.S. military ID card
- 6) Government-issued medical card
- 7) Voter ID

Protecting Your Vote

No eligible voter will be turned away at the polls. Voters who do not bring ID to the polls can vote using a standard provisional ballot, which will be counted if the signature they give at the polling place matches the signature on their voter registration card.

Mail ballots will not require Voter ID.
